

The Lincoln Gem and Mineral Club held it's regular meeting Jan. 22, 1966 in the Robert's Dairy Room. Sixty-five members were present. Minutes of the Nov. meeting were read and corrected and approved. Correction; the motion to fine members neglecting to bring cookies lacked a second so no vote was taken and it became a dead issue.

An audit report was given by Mr. Carveth; the books are in order. The treasurer reported \$55. had been paid in at this meeting in dues. The 1965 financial report is now available to members.

Committee Reports

1967 show by Mr. *Taylor* Garveth

After investigation it was found that a 1967 Federation Show is to be held in June 1967 at Davenport, Iowa. According to Federation rules we cannot have a Rockarama until Sept. 1967. A letter from Mr. Dugan of the Federation urges us to have a Rockarama in Sept. 1967. Mr. Taylor also announced the Auditorium is available the 3rd and 4th weekends in Sept. of that year.

Field Trips by Mr. Eno

A Field Trip to Eden Valley in June 1966 is in the planning stage. The date is approximately June 16; more details later. Gene asks anyone having places and times desired for field trips to contact him.

The Club members are working at the museum wed. evenings 7 to 10 p.m., cleaning fossils, always room for more participants. Our Museum display is being recised and moved to the 3rd floor.

Announcements

Continue to bring coupons for the scholarship fund. Action taken by the Board has made our Club 100% contributors.

We can use commemorative stamps for milk for needy children. Stamps go to the Old-Timers Club and they take care of the milk program.

The Junior Club members are having a rock auction---anyone wishing to donate specimens bring them to the Feb. meeting. Requested are 2" x 2" size or smaller.

Dick Hedges asks for program suggestions.

~~12.~~

Mr. and Mrs. Carveth are co-chairmen for the 1966 Nebraska-land parade float. Volunteers are awaited.

Mr. Thomas Simmons made a motion to rescind all motions on a June show in 1967 and that we have a Rockarama at the auditorium in Sept. 1967. Helena Bagaal seconded the motion. 31- for; 14 against. Motion carried.

A motion was made by Marge Hedick that we have our usual show in Sept. 1966. Seconded by Mr. Carveth. Carried unanimously.

A motion was made by Mr. Art Bloyd that we develop our annual Aug. picnic into an area picnic and rock-swap--inviting other clubs to join us. Seconded by Marge Heidick. Carried unanimously.

Gary Hedick thanked the Club for his award as the Junior Rockhound of the Year.

Floyd Olsen announced there was to be a barn dance at 6030 Havelock Ave. Jan. 29th and we were all invited.

Meeting adjourned by our president Bruce Simon.

The Lincoln Gem and Mineral Club held it's regular meeting Feb. 26, 1966, in Roberts Dairy Party Room. Fifty-seven members were present.

An interesting and vivacious program was presented by Mr. Hurford, of Omaha. He had spent years dreaming, studying, and planning a trip to Prince of Wales Island, Alaska. The trip was to locate an old Epidote Mine. He and his friends found the Mine and although the Epidote specimens recovered were not ~~extravagan~~ the trip was full of exciting adventures and experiences. As he told of the trip through movies, slides and oral report, we shared the trip with him. We enjoyed the program very much.

The business meeting was held after the program. Minutes were read and approved. The treasurer reported \$70.00 taken in on dues for this meeting, and a balance of \$350.26 in the treasury.

Committee Reports

Show Mr. Taylor

Mr. Taylor reported we have a contract for the use of the Armory for our 1966 show, the dates are Sept. 24th and 25th.

The refreshment committee for the evening were, Mr. Anderson, Mr. and Mrs. Bainbridge, The Art Bloyds, Helena Laegel, and Mr. Bowmaster. They recieved a thank you from the chairman Miriam Forbes.

Program Dick Hedges

A Tour of the University of Nebraska museum and of Morrill Hall was held Feb. 27, 1966, for the Nebraska Lith Gem Club. Our members were hosts with a coffee following the Tour. Next months program will be "Fossils" by Roger Fabian.

Junior Club Auction Velma Bloyd

The auction for the benifit of the Junior Club will be held on March 18th with the proceeds to go for study aids. Anyone having specimens to donate please take them to the Bloyd home.

Parks School Project Floyd Olsen

Each year our club has one project to which the press and other news media are invited; this year it was the Parks School Project. A program was put on for the school in which over 400 children took part; those assisting were Floyd Olsen, Velma Bloyd, and Dorothy Englehardt.

Field Work Gene Enno

The two projects at the museum are going well. They are the cleaning of fossils in room 104 and helping with the mineral collection in gallery A; both on Wednesday evening from 7 to 10 p.m.

New Business

The preddident announced that the State Hospital is in need of an instrutor for a lapidary interest group and also for someone willing to lecture.

A copy of the last "Jet Scoop" to be printed by the LAFB was presented to the club by Marie Carveth. It will be put in our history.

Meeting adjourned by the president, Bruce Simon.

MINUTES OF THE MARCH 26, 1966 MEETING

The Lincoln Gem and Mineral Club held its monthly meeting March 26, 1966 in the Roberts Dairy Club Room. The meeting was called to order by President Bruce Simon. Guests and new members were introduced. The minutes of the February meeting were read. The speaker of the program at that meeting was corrected to read Mr. John Hufford. The minutes were approved as corrected.

Members were reminded to sign in. Treasurer Mrs. Baugher reported the club has 114 adult members and 14 Junior members. \$249 collected in dues, 5 dealers contracts have been received, giving the balance of \$1,962.96.

Mrs. Tracy reported on the by-laws revisions.

Mr. Dick Hedges announced the April meeting program would be presented by Dr. Bertrand Schultz on exploring caves. It was decided to have the April meeting at the University of Nebraska's Morrill Hall.

President Simon requested for Mrs. Ulrich more research people in the Girl Scout Program on the rock merit badge. If any members are interested they are to contact Roger Simmons or Mrs. Ulrich.

Mr. Howard Taylor reported the show is moving along fine. Some new dealers are among those coming.

The Junior Club enjoyed the auction very much. Mrs. Velma Bloyd announced \$10.28 was taken in for the junior fund.

Mr. Waddel brought in a nice specimen of lead and silver ore from Central City, Colorado. He found one spot which had authentic gold panning between Central City and Golden - 4 miles from the richest mine.

Mr. Carveth contacted the Game Commission about making a large map of Nebraska on a trailer showing rock hunting areas. The parade will be Wednesday night June 15. An estimate of the plans will be presented next week.

New Business

The Las Vegas Club will hold the World's Fair of Gem and Minerals, May 12-15 and sent raffle tickets. First Prize will be a 1966 Willis jeep; many other outstanding prizes will be awarded.

Mr. Waddle mentioned viewing a lovely exhibit of rock slabs lighted from behind which was displayed in the library in Tulsa. He thought it might make a good club project.

"Don't Let George Do It" was the topic of discussion on the state rock. The Fairburn was mentioned, but Roger Pabian said it was named for a city in South Dakota. He felt the Dakota Sandstone would be a good one as it was named for Dakota City, Nebraska in 1866; it is the type of stone around Lincoln the area which was settled for the salt coming out of the Dakota Sandstone; it made settling easier as drinking water was easily obtained from it; it is important for economic reasons as oil also comes from this stone; and pioneers used it for building in those early years.

The program for the evening was presented by Rodger Pabian on collecting fossils.

Respectfully submitted,

Meriam Forster

Acting Recording Secretary

April 23, 1966.

Dr. C. Bertrand Schultz, Director of the University of Nebraska State Museum, presented an interesting slide lecture on "Caves in New Mexico and Europe".

Following the program, the meeting was called to order by the president, Bruce Simon. Minutes of the March meeting were read by Miriam Forbes acting secretary and approved as correct. The Treasurer reported a membership of 120 adult members and 15 junior members. The present balance at the Bank of Commerce is \$301.81 in addition to the account at First Federal. The treasurer read a letter from Mr. W. H. deNeui, treasurer of the Midwest Federation thanking members of the Lincoln Gem and Mineral Club for their contribution to the American Federation of Mineralogical Societies Scholarship Fund. Our club qualifies for 100% status, which indicates that we have contributed a dollar per member.

Committee reports were called for:

Mr. Simon reported that Howard Taylor, show chairman had had a heart attack and was in the intensive care unit at Lincoln General Hospital; therefore we would forgo a report on the show at this time.

Gene Eno, Field Trip Chairman announced that we would go to Lewisville in May. Members of the club going to Eden Valley, Wyoming will meet in the Eden Valley area on Sunday, June 19. There will be a meeting prior to the leaving time to see if a professional guide is needed.

Virgil Carveth chairman of the float committee reported that he had the blue print for the float for the Nebraskaland Parade. There will be a map of the state with places for rocks. It will be 6 feet by 12 feet and cost \$30.00.

Mrs. Englehart, Vice President of Nebraska, represented the state at a Midwest Federation meeting at Mt. Sterling, Ill. recently. She reported that the group gave her a standing ovation for the slides presented. Cecelia Dulick is getting a new book of speakers ready at this time in this area.

Floyd Olson and Perry Douthit are a committee of two for Lapidary instruction at the state hospital beginning on May 6. They are in need of some good material as the cabs crumble as they try to take them from the dop sticks.

For Old Business Mrs. Tracy led the discussion on the By Laws and Articles of Corporation. Article 2, Section 2 will include librarian and duties.

It was announced that one-half hour would be allowed for discussion at the next meeting on the by-laws. If there's something you feel should be changed it was suggested that a member of the committee be contacted prior to the meeting.

Mrs. Parks was given a hand for the excellent job on the Pick and Shovel for April. She in turn thanked the members for their efforts in helping to make this a success.

Attention was called to the Midwest Federation Convention at Houghton Michigan June 16-19. Booklets with registration blanks were available for interested members.

The Game Commission contacted Mr. Simon in hopes of gaining material for several articles. They need unusual material and colored photographs of outstanding Nebraska specimens. Mr. Simon will coordinate this program.

Dick Hedges called attention of the members to the Hastings and Wichita Shows. Roger Simmons announced that there were 28 photographs on the cutting of diamonds in the room where coffee would be served. The meeting was adjourned and we enjoyed coffee and material presented by the educational chairman.

Section 2 Article 2 As it now stands, the treasurers report and Pick and Shovel are to be sent one copy per family. This has been adjusted to include members living away.

Article 6 Section 1 Paragraph 2 As it now stands club members must vote to see whether or not discussion takes place
The person requesting this will be given 2 minutes to explain why

Mrs. Tracy moved we suspend the by laws and vote on changes read. This motion was seconded by Tom Simmons. Mr. Kohn felt the wording was ambiguous and moved to table this vote until further discussion. This was seconded by Mr. Carveth. 26 favored tabling the vote and 7 opposed. It was tabled.

The Lincoln Gem and Mineral Club held it's regular meeting May 28, 1966, in Roberts' Dairy Party Room. Forty-four members were present.

Minutes of the last meeting were read and approved. The treasurer reported a balance of \$ 347.07 in the Nat'l Bank of Commerce.

The president, Bruce Simon, read a letter from Russell Kemp, federation scholarship chairman, thanking us for our 100% contribution to the fund; we also received an award certificate.

Committee Reports

Nebraskaland Float Marie and Virgil Carveth
The Nebraska map has been assembled. Painting, design and art work are yet to be done. Work is scheduled for 9 a.m. Monday May 31st. Lettering under the map will read "Rock Hounding Trails".

State Hospital

Mr. Olson
Classes in lapidary are held Wed. 6-9 p.m.; Mr. Olson, Mr. Englehardt and Art Bloyd have been serving as instructors. Mr. Englehardt received a letter from one of the patients. Thanking him for his efforts.

Field Trips

Mr. Eno
Gene announced a meeting for those interested in the Eden Valley trip. He also presented an idea for a winter field trip to Chicago to the Lazzardo Museum. It would be by bus or train. Russell Kemp would be our guide while in Chicago.

DECEMBER CLUB MEETING

The annual Christmas party for members, their families and guests of the Lincoln Gem and Mineral Club was held at the Naval Reserve Training Center on December 17, 1966.

After a delicious covered-dish supper President, Bruce Simon, called the meeting to order. The president expressed his appreciation to officers and members for their cooperation throughout the past year.

The motion in regard to increased membership dues as brought forth from the November meeting was restated and carried by a vote of 24 to 10. The motion provides for increase in membership dues to \$3.00 for adults, children remain at \$1.00, and a family membership will be \$7.00. A provision provides that each junior member must have his parent, a guardian, or an adult club member as his sponsor.

A board proposal was brought before the club which included an increase in initiation fee from \$1.00 to \$2.00 and a stipulation that all prospective new members must attend one regular meeting before approval as a member. This motion was introduced by Thomas Simmons and seconded by Gene Eno, and since it affects final bylaw revision it must be held over to the regular January meeting for vote.

A motion was made by Jerry Kohn to contribute to a memorial fund for Detective Frank H. Soukup of the Lincoln Police Department, killed while on duty. It was seconded by Howard Taylor and carried by a vote of the club without dissent. The board will determine the amount at their regular meeting.

The president turned the gavel and seal over to Gene Eno who presented the retiring president with a plaque denoting the club's appreciation. The new president, Gene Eno, made public his selections for committee chairmen for the coming year and called upon Dick Hedges, his new education chairman, to outline briefly the program for 1967.

The program was then turned over to Lloyd Lederer for his slides and narration on his recent trip to Alaska. He was assisted by his wife, Ruth. The "Rocky Players" presented their version of "A Christmas Carol" which was enjoyed by all.

After the gift exchange, icecream was served and the meeting adjourned.
